Holy Trinity Parish has come forward and is seeking your input for possibly placing for sale the St. Mary, Nine Mile Church. ### **CHILD ABUSE PREVENTION MONTH**

During April Child Abuse Prevention Month, we are reminded of the call to be instruments of justice, working for the common good of all, which includes the protection of children. As Jesus entrusts to Peter the care of the flock, we are reminded that this responsibility belongs to everyone as a matter of charity and justice. Child Abuse Prevention Month should lead to heightened awareness of the need to be vigilant about providing a safe environment for all within the Church and for our communities.

The *Charter for the Protection of Children and Young People* was established by the United States Conference of Catholic Bishops in June 2002. It is a comprehensive set of procedures addressing allegations of abuse of minors. The Charter includes guidelines for reconciliation, healing, accountability and prevention of future acts of abuse.

The United States Conference of Catholic Bishops *Charter for the Protection of Children and Young Peoples* calls for annual audits of dioceses to ascertain compliance with the USCCB *Charter* guidelines. The Diocese of Saginaw has been found to be in compliance with the audit every year from 2003 to present.
