#BADDTOUR

Tragically we are losing more and more students to suicide, drugs, gangs and violence. Cyber-bullying has taken cruelty outside school walls. Our children are struggling with loneliness, isolation and depression. Many are self-harming and feel hopeless.

Marc Mero's Champion of Choices program impacts pre-teens, teens, teachers and parents with his presentations. Marc has presented to over 2,000 schools, reaching more than 1 million students, parents and educators. A former WWC and WWE Wrestling Champion, Marc has an extraordinary ability to connect with students and people of all ages and walks of life.

Marc addresses the big issues of bullying, suicide prevention, substance abuse, goal setting, dreaming big, making positive choices and achieving your highest potential.

Marc Mero's tour reaches students and families at a heart level and gives them tools and inspiration to face everyday challenges and view their life from a new perspective.

Parents and community members are invited to come and be inspired. With this impactful one hour program we can come together to learn how we can help to be a positive impact in the lives of the children in our community. This free event will be held at the Pinconning High School gym on Tuesday, September 18 at 7 pm.
